

Design Your Dream Park!

It's time to get really creative: we want to see what your dream park looks like! There's some hints below to help you get started, so scribble some ideas down then grab a piece of paper and get designing!

1. Who is your park for?

2. What will people do at your park?

3. How will people get in and out of your park?

4. What animals will there be in your park?

5. Will there be places to play? What will there be to play on?

6. Can people take part in sport at your park? How will you help them be active?

7. What else will happen in your dream park?

Once you've designed your dream park we want to see your creation! We'll even share the best ones online for the whole world to enjoy and admire!
