

Fields in Trust AGM 2026

Nomination for Council Membership

Nominations for membership of Fields in Trust’s governing Council are invited. Each year one third of the current Council membership reaches the end of their current three-year term. This year those Council members include Mark Campion and Duncan Peake. Retiring members may stand again for re-election up to a maximum of three consecutive terms and only paid individual Members of the Association are eligible to stand for Council.

To ensure the ongoing strength and success of the charity a new Appointments Committee was set up in 2025 to oversee appointments and succession planning. Candidates for Council membership will be assessed against current skills requirements, and we trust that the Members will be supportive of this approach as we look to develop the capacity and expertise of the charity.

Candidates must be nominated and seconded by fully paid-up members and are requested to provide a candidate profile of no more than 200 words containing details of their relevant experience and attributes, together with a passport-sized photograph.
